Dear Jeffery,

Thank you for speaking at the 16th annual symposium for the Illinois Council on Responsible Fatherhood on Saturday, July 27, 2019 at the Belleville Public Library. The symposium appeared to be a great success and very informative.

Jeffery, I enjoyed meeting you, and I did not know in advance that we would have so much shared knowledge about this important fatherhood symposium.

I appreciate the books you donated to our library and the two books you gave me, and I look forward to reading them. Please do not hesitate to contact me if you need my assistance in the future.

Sincerely,

Mark W. Eckert  
Mayor
