

Kidnapped Son Reunited with Dedicated Dad

📅 November 14, 2025

A devoted young father's world was shattered when, in the midst of a painful separation, his son was suddenly taken from him by the child's mother, leaving him feeling discarded and dismissed. According to court documents, she moved their elementary school-age son far away and out of dad's reach, seemingly to erase this loving father from his child's life. Refusing to stand for this, dad called Chicago attorney and fathers' rights advocate Jeffery M. Leving for help. The Law Offices of Jeffery M. Leving Ltd. fought by his side, determined to reunite father and son and restore hope where it was nearly lost.

Terrified of losing his son forever, dad called for help. Attorney Leving assured dad that the Leving legal team would fight to reunite and protect them.

The Leving legal team strategically prepared and litigated the case to victory. The judge ruled that the child be reunited with his father and returned to his familiar school in his dad's district. This important court victory modified for publication reunited a little boy with his father. Dad was overjoyed to have his son back, demonstrating the results that can be possible when a dedicated father refuses to be erased from his child's life.
